

Cedar Class's Weekly News

W/B 17th September 2018

This Week...

The children have enjoyed a fun packed week. We started off the week with a visit to the park on a 'bug hunt'. We found all sorts of creepy crawlies, the children loved this! We have been busy working hard on our letters and sounds and have showed some good skills when sorting sounds and blending these to make words. We love doing robot voices! In art we made beautiful pond pictures in the style of Monet. Then on Wednesday we enjoyed Sports day and all the children were fantastic! On Thursday we continued our designs in DT and have made great progress, next week we will commence the construction of our models! We also had fun making flap jack, following recipes and taking turns to measure and mix ingredients. At school we are practicing being independent through different routines, please can you encourage your child to put on their own coat and wash their own hands before meals etc (this will help to reinforce the learning done in school). We are making great progress so far!

Next Week...

We will be visiting Preston Train station as part of our history topic on the history of transport. We also would like to ask for family photos to make personal reading books for the pupils. So pictures of mums, dads, Gran's, pets would be great! For our News on Monday please can those of you who have the talking tiles please use them to let us know if you did anything i.e. visit family, visit the park etc. This would be very helpful during our news sharing time.

Reminders

Please send in a PE kit those who still need it.

You can email teachers with concerns about your child:

dbaker@acorns.lancs.sch.uk

smartindale@acorns.lancs.sch.uk

And Finally...

Reminder to parents for £1 snack/baking donation weekly, thank you to those who have been sending it in.

Once again the children have been such busy little bees, I think we may even need to make some more stars! Wonderful start to Cedar class.

Deana, Sophie and the Cedar Class Team
