

Cedar Class's Weekly News

This Week...the children worked on weekend news and simple sentence structure. They completed additional tasks. The children discussed plant parts and re-capped what plants need. They then planted their own seeds which we will watch grow! Some were left without sunlight or water so it will be interesting to see the difference. The children had lots of fun in the outdoor learning area and created nature faces using natural objects on flour faces. As part of road safety week pupils explored how to remain safe and played with a zebra crossing mat, high visibility jackets and a stop sign toy car play mat. They enjoyed a road safety themed PE lesson too! Pupils listened really well in both sessions and demonstrated their understanding during a visit to Worden Park with passing vehicles. Well done Cedar class! It is also nursery rhyme week so we decorated tea pots and sang 'I'm a little teapot'. We also had a teddy bears picnic style snack time for 'Round and round the Garden'. Pupils created routes using arrows and programmed Codapillar as well as accessing the IPADs. They read 'We're going on a bear hunt' again and focused on the descriptive language – 'Oozy mud, Swirling Whirling Snowstorm' etc. We loved our new role play of the vets too this week – Brandon made a super receptionist!

Next Week...is our Christmas visit. It is a little early but we are very busy in the lead up to Christmas. On Monday the children will be visiting Barton Grange garden centre to look at the festive decorations and lights. We are especially looking forward to seeing the giant singing advent calendar! In school the children will also be making a start on their Christmas lists. Also some of the children will be going out and about on the park.
