

Elm Class's Weekly News

W/B 1st October 2018

This Week...

Another busy week even though it was shorter (for the pupils that is!). We still enjoyed sharing our weekend news and there was even more to share because of the longer weekend. We love sharing our photographs of all our different activities with each other. We have been investigating and learning inside and outside the classroom again. We have been continuing to work on our 'Bear Hunt' story in Geography. Alfie W, Arthur and Riley made some lovely 'river' pictures. Farrell enjoyed investigating movement with the cars. We've been practising our IT skills. Noah enjoyed using the SMART BOARD and Moina explored the i-pad and Alfie L made a super nest in Science!

Next Week...

We'll be out and about again next week...hopefully heading for a woodland walk so don't forget your wellies!

Reminders

We still need wellies and waterproofs for our outdoor learning activities. Thank you to those of you who have sent them in. Also, please don't forget Class Fund money too!

And Finally...

Thank you to everyone who came to our Macmillan Coffee Afternoon. We hope you enjoyed it as much as we did!
