

Elm Class's Weekly News

W/B 3rd September 2018

This Week...

We have all settled into our new classroom and have enjoyed meeting our new classmates and teachers. We have been very busy getting used to our new routines and environments. We have already been out and about in the local community too. Some of us enjoyed a visit to Sainsbury's to buy items for our morning snack and for our Food Technology session – we made lovely chocolate Krispie Cakes. We also went on the minibus to Haslam Park as part of our Geography Topic.

Next Week...

We will be starting our science topic 'Living things and their habitats' and will be out and about again.

Reminders

Don't forget to send wellies and waterproofs so we can enjoy more outdoor exploration, please also remember PE kits.

Class fund of £2 is also due every week for snacks and food technology.

And Finally...

Everybody has made a good start to the year and hope you all have a lovely weekend. See you on Monday.
