

Elm Class's Weekly News

W/B 13th September 2018

This Week...

We have had another busy week in Elm class. In Science, we enjoyed reading the story of Percy the Park Keeper and learning about some of the animals in the story. We have been on another visit, this time to Avenham Park to explore the 'caves' just like the one in our Geography story (Going on a Bear Hunt). Fortunately we didn't meet any bears! We have also been busy in the kitchen again making more cakes for our afternoon snack.

Next Week...

We will be out and about again during the week linked to all our curriculum areas.

Also we will be introducing Weekend News Folders which will be sent home on Friday and returned on Monday to help us share your child's weekend activities with the class.

Reminders

Don't forget to send wellies and waterproofs so we can enjoy more outdoor exploration, please also remember PE kits.

And Finally...

Class fund of £2 is also due every week for snacks, food technology and our Community Visits. Thank you for money already received.

Also, we would love photos of family members so that we can talk to the children about them. These are really helpful in communication work. 😊
