

# Elm Class's Weekly News

W/B 12th November 2018

**This Week...** We have been up to our usual busy learning activities this week both in and out of the classroom. In Science we learnt about squirrels and their homes. Noah, Moina and Riley went out to collect leaves so that we could make squirrel pictures. Some of us have been enjoying Sensory Drama sessions – we go to India, it's great fun.

On Wednesday we had a visitor – Joan, one of our Governors who came to see how hard we work and to join in the fun. We Made pizzas – they were delicious!

We've had great fun making our steam train for our history work and role play activities... and now we can enjoy riding on it, CHOO CHOO!

**Next Week...** We're hoping this lovely Autumn weather continues so that we can enjoy some more woodland walks and exploration. We're hoping to go out on the bus on Thursday for a drive along the coast (we'll be staying on the bus) looking for different forms of transport. How many will we see?

## Reminders

Thank you to those of you who have sent in photos of family members to share with the children in communication activities. If you can send any that would be great. Don't forget class fund - £2

## And Finally...

We all enjoyed our Children In Need Day and enjoyed coming to school in our pyjamas. Everybody has worked really hard. Enjoy your weekend!
