

Elm Class's Weekly News

W/B 14th January 2019

This Week... We are well and truly back into 'work' mode now with another busy week getting into our new Spring Topics. In Science and PE we have been learning about our different body parts and keeping healthy with lots of activity and exercise!

We've been out and about again, as well as our shopping trip to Sainsbury's, we've been to Dobbie's café to practise our social skills...we were all very well behaved. All the staff were proud of us! This week we made Angel Delight in Food Technology but we kept it healthy by chopping up fruit to put in the bottom of the dish...yummy!

We also had fun in Geography learning about cold weather. It was very chilly!!!

Next Week... we'll be out and about again, visiting Myerscough Plant World and café. We'll also be making bird food cake so we can feed the birds in our Forest School Area. And hopefully, we'll be shopping for ingredients to make some fruit smoothies in Food Technology!

Reminders.

Please remember to send in Class Fund (£2) each week so we can continue to shop for and make our healthy food in 'Food Technology' sessions. Also, please send in wellies and waterproof clothes for our outdoor activities (if you haven't already sent them)

And Finally...

Well done to everyone for another week of hard work...and fun too!
Everybody is trying really hard. Keep it up!
