

Elm Class's Weekly News

W/B 21st January 2019

This Week... We have kept ourselves warm in this cold weather by working hard as usual! And we have still been out and about ... snow and ice won't stop us!!

We enjoyed making bird cake to feed the birds outside our classroom – it was very sticky! But great fun.

Then we hung it up outside, let's hope The birds like it.

On Wednesday, some of us went shopping for ingredients for our Food Technology.

We enjoyed making healthy smoothie drinks (and drinking them!)

We've enjoyed playing with our friends in our Role Play sessions

We worked hard in PE too!

Next Week... We'll be carrying on with all our topics ... and starting some lovely, messy Design Technology work involving papier mache. Watch this space! If anybody has old newspapers/magazines we could use them so please send them in. Thank you

Reminders.

Please remember to send in Class Fund (£2) each week so we can continue to shop for and make our healthy food in 'Food Technology' sessions. We really need this or we'll be unable buy our ingredients. Thank you to those of you who have already sent it.

And Finally...

Have a lovely weekend, let's hope we don't get 'snowed up!'

But some of us don't really mind!
