

# Elm Class's Weekly News

W/B 24th September 2018

## This Week...

Thank you for returning the News Folders. The children really enjoyed sharing their news with us and it was lovely to look at all the pictures of what we all get up to at the weekend – what busy people we are! Please keep sending them in, it makes such a difference to our communication lessons. We've been busy again in Elm Class. Some of us enjoyed a shopping trip to Sainsbury's to buy things for snack time and Food Technology. Riley, Noah, Farrell and Arthur were all very sensible and super ambassadors for Acorns, helping to find and choose items on our shopping list. Everyone did some lovely art work on Monday, making birds' nests as part of our Science work and then our 'chefs' – Alfie W, Alfie L and Pharrell made some chocolate nests in Food Technology for us to eat at snack time. Riley, Noah, Moina and Arthur enjoyed some Sensory Exploration with mouldable foam (Lorraine and Mrs Hardman enjoyed it too!!)

## Next Week...

We will be out and about again looking at more habitats and signs of Autumn. We will also be getting ready for the MacMillan Coffee Afternoon on Thursday.

## Reminders

We still need wellies and waterproofs for our outdoor learning activities. Even though the weather is nice now we're sure the rain will be here soon! Also, please don't forget Class Fund money too!

## And Finally...

It's an INSET day on Monday so please send your Weekend News Folders back on Tuesday... we still love to share our activities with each other!
