

Elm Class's Weekly News

W/B 28th January 2019

This Week... Another busy week in Elm Class, we have all been working very hard! We are continuing to find out about our bodies in Science and this week we have been concentrating on our feet! We had fun making blue footprints on paper (and Mrs Hardman's clothes!) and especially enjoyed the footspa afterwards. Pharrell has been working really hard writing his name and Siddhesh has been working on filling and emptying containers.

The weather helped us in our Geography topic by providing us with real snow to explore and investigate. The birds enjoyed our bird cake so much that we made some more...it was so good Pharrell couldn't resist it!!

Next Week... It's all about Chinese New Year! We will be finding out about the Year of the Pig. There will be lots of art work, making and tasting food, shopping, dancing and celebrations! Gung Hey Fat Choy!

Reminders.

Please remember to send in Class Fund (£2) each week so we can continue to shop for and make our healthy food in 'Food Technology' sessions. We really need this or we'll be unable to buy our ingredients. Thank you to those of you who have already sent it.

And Finally...

Well done to everyone for all your hard work...have a lovely weekend!
