

Elm Class's Weekly News

W/B 29th October 2018

This Week... Welcome back! Hope you all had a lovely half term break. We have all been busy again. This week we have been learning about spiders – we have found out lots of things about them. We practised our threading skills to make spiders' webs and then some of us made spider cakes to eat at our Halloween Party on Wednesday.

We have made some lovely pumpkin faces to decorate the classroom with and we enjoyed carving a pumpkin lantern – lots of squishy mess!! We have had two parties this week – one for Alfie's birthday as well as our Halloween one!

We have been out and about on the minibus again to investigate woodland habitats, looking for real spiders' webs!

Next Week...

We will be finding out about Bonfire Night, Diwali and Remembrance Day ...another busy week ahead!

Reminders

Thank you to those of you who have already sent in class fund money...please don't forget if you haven't. It means we can make lovely things in food technology and try different flavours at snack time.

And Finally...

It's been another busy week for us all but we've achieved a lot and we'll soon be getting ready for...CHRISTMAS!! HO HO...or should that be: OH NO!!
