

# Oak Class Weekly News

W/B 1<sup>st</sup> October 2018

## This Week

We have had a short but lovely week in school.

In geography we have started to learn about Italy, and some of us found key facts on the internet. Safaa tried hard and found out about the Italian flag and the currency used there. Dan made some great notes on his fact-file.

Outdoor learning has been fun – we have been building dens and making more autumn artwork.

A big thank you to everyone who sent in cakes for our MacMillan event. It was also great to see so many families, and the children enjoyed having all the visitors in class.

The children also enjoyed going to their taekwondo lesson at Sir Tom Finney High School on Friday afternoon.

## Next Week

We will carry on with our work and other activities in class. We are hoping to write and perform an autumn poem in the outdoor learning area. Some pupils have their reviews next week – parents will have been informed with a separate letter. On **Tuesday 9<sup>th</sup> October**, we will be visiting the Imperial War Museum North at Salford Quays to see and talk about a piece of artwork called 'Wave' – see here for further details: [www.iwm.org.uk/events/poppies-wave](http://www.iwm.org.uk/events/poppies-wave)

## Reminders

£1 towards snacks and food technology items per week – thank you.

If you have not already done so, please send in the data sheets with important information about your child.

As we are no longer using diaries, please remember that you can phone or email us with any messages or questions you have – [worsleyd@acorns.lancs.sch.uk](mailto:worsleyd@acorns.lancs.sch.uk)

Some parents have been asking about the procedure for applying for secondary school – you do not need to apply in the same way you would for mainstream school – we will explain what you need to do at your child's annual review.

## And finally...

There were some great investigations into length and weight at home last week. Thanks if you managed to find time to talk about this together.

As we will soon be writing an autumn poem together, you may want to talk or write about some of the signs of autumn you can currently see, smell, hear, etc.

Have a good weekend!

Oak Class team
