

# Oak Class's Weekly News

W/B 3<sup>rd</sup> September 2018

## This Week

This week we have settled back in to school life very well. We have thought about how we should behave to help us learn, and we came up with a good set of class rules. We have worked hard in our lessons. In history, we have started to learn about the Stuarts – we looked at a time-line and did some role-play work. We have also enjoyed starting to learning about 'light' in science. The pupils have all worked really hard and will be looking forward to a rest this weekend! Many thanks to all parents/carers who have sent in PE kits, outdoor learning clothes and snack money – we have kept wellies and jackets in school for our outdoor learning lesson on Fridays – if you need them back at any point, please let us know.

## Next Week

Next week should be a normal week in school – we have no trips/community visits planned just yet, but we will let you know on the class blog when we will be going out and what we will be doing. On Thursday, we will be having a Roald Dahl theme day in class – pupils may wear yellow if they wish. To find out more about the work we'll be doing this term, take a look at the curriculum map on Oak Class area on the school website:

[www.acorns.lancs.sch.uk](http://www.acorns.lancs.sch.uk)

## Reminders

£1 towards snacks and food technology items would be really helpful.

Please remember to send in labelled outdoor learning clothes to stay in school: wellies and a waterproof jacket. This is for our time in the outdoor learning area every Friday.

As we are no longer using diaries, please remember that you can phone or email us with any messages or questions you have – refer to the sheet sent home for email details.

You will soon get dates for the annual reviews – it is really important to attend to discuss your child's progress, and to talk about transition to high school, and the application process, for Year 6 pupils

## And finally...

If you have time, you may want to go on a hunt for light sources around the home. You could do this with your parents or write a list/draw pictures, e.g. the television.

Thank you for all your support.
