

Oak Class's Weekly News

W/B 7th January 2019

This Week

Happy New Year! We hope that you all had a good break. It is great to see all the children back in school and trying so hard with the things we have done this week.

In history, we really enjoyed finding out what life was like in Stuart times - we dressed up and explored objects and artefacts. Safaa was great at dressing as a 'Puritan' and Aimee enjoyed trying some stew.

In PE, we have been working on dances which represent animals in the jungles and rainforests. Fin chose to move like a monkey - brilliant.

We made winter bird feeders in our outdoor learning work. We used apples, seeds, twigs and string to make great feeders.

Next Week

On Tuesday we'll all be going to a local park for a nature walk and to do some sketching. Please make sure that pupils have warm outdoor clothing.

We'll continue to do interesting work and activities in all our lessons. In English, we will start to look at mystery stories. Perhaps at home you could do a mystery guessing game - put mystery items in a box and give clues to what the item is. This will be a fun way to practise speaking, listening and describing skills.

Reminders

If you haven't already, please send PE kits and outdoor learning clothes back into school (wellies and waterproofs). Ensure that ALL items are labelled with your child's name.

£1 for snack and food tech money per week would be appreciated - thank you.

And finally...

IMPORTANT

Advance notice - we will be having a parents' meeting about the joint residential on Thursday 24th January at 2pm in school. A letter will be sent home about this next week.

Have a lovely weekend.
