

Oak Class's Weekly News

W/B 12th November 2018

This Week

On Monday we did some addition
work in maths in the middle of
the week some of us went
to the cinema we watched
a film the parents took us to see
last of all we did some work
on writing letters for
we worked with the Manchester
Cameraata to write a song
we performed it together
6/10/18

Work with Manchester
Cameraata

Working hard on
adding and taking
in maths

Anti-bullying work – pupils
role played being good
'buddies'

Next Week

Some pupils will be going orienteering at a school in Skelmersdale -
letters will be sent home to those involved.

Reminders

£1 towards snacks and food technology items per
week - thank you.

As explained in reviews, you should be thinking
about visiting the local high school and then
letting them know that you want a place. Please
get in contact if you need support.

And finally...

Thanks for the donations for Children in
Need. The children loved wearing their
pyjamas!

This weekend, you may want to talk about
road safety - the dangers and how to
cross safely with an adult. You could even
make a poster about road safety.
