

Oak Class's Weekly News

W/B 14th January 2019

This Week

We've had a great week! We've worked really hard in class - we enjoyed dressing up and doing role-plays in history. We also enjoyed our visit to Moor Park. On our visit, we looked for and talked about the signs of winter. We had a snack, and then did some sketching. Look at Summer's sketch on the right - it's fantastic! We also had a visit from the PAT dog. All the class enjoyed listening to Barbara telling us about Fliss, Fin asked lots of questions. We also made a 'human circuit' in science looking at how electricity travels.

Next Week

On Thursday 24th January, there will be a parents' meeting in school to find out more information about the Oak Class joint residential with Sir Tom Finney High School in May. The meeting is at 2pm - thanks to those who have returned reply slips.

In science, we're looking forward to doing more work on electricity - we'll be making and testing out some real circuits.

Reminders

If you haven't already, please send PE kits and outdoor learning clothes back into school (wellies and waterproofs). Ensure that ALL items are labelled with your child's name.

My new school email address:
cworsley@acorns.lancs.sch.uk

£1 for snack and food tech money per week would be appreciated - thank you.

And finally...

Have a lovely
weekend.
