

Oak Class's Weekly News

W/B 21st January 2019

This Week

The children were invited for afternoon tea and a chat with Mrs Beaton. Everybody really enjoyed this experience.

We have been working on 'sharing' and 'shape' in maths. Daniel remembered the names of 3D shapes when he was given the properties - well done.

We also enjoyed predicting what would happen in a mystery story, and we took part in a mystery game in the outdoor learning area.

In technology, we have been busy making models linked to our history topic. Poppy did some great cutting.

In art, we drew a still-life - some flowers. Perhaps

Next Week

On Friday next week we'll be going to a local supermarket to do some shopping, use our maths, and look for products that are different 3D shapes. Please look for the letter in bags.

Reminders

Thanks to those parents who managed to come to the meeting about the residential. Please send in reply slips as soon as possible.

My new school email address:
cworsley@acorns.lancs.sch.uk

£1 for snack and food tech money per week would be appreciated - thank you.

And finally...

We're really proud of pupils in Oak Class as they are trying hard to manage their emotions and feelings as they grow older. Well done!

HAPPY BIRTHDAY to
Sophie!

Have a lovely weekend.
