

# Oak Class Weekly News

W/B 29<sup>th</sup> October 2018

## This Week

We did a role-play about the  
Folklore we went to church in  
Leyland. Some visitors from  
Stonyhurst read a story to  
us. We also played with the  
shadow puppet theatre  
by SUMMER

Shadow investigation  
in science

St Mary's Church in  
Leyland

## Next Week

As well as our normal lessons, we are starting to learn lines and practise for this year's school production. Some pupils may have some words sent home to practise next week.

We will be looking forward to reading with the pupils from Stonyhurst.

In food technology, we will be making and tasting a tiramisu.

## Reminders

£1 towards snacks and food technology items per week - thank you.

The week after next, on Friday 16<sup>th</sup> November, the children can come into school wearing pyjamas (if they wish) to raise money for Children in Need - more details next week.

## And finally...

Thanks to those who managed to do some homework about Italy.

Well done to our 'Star of the Week', Summer, for her hard work and also for using her emotion cards.
