

# Pine Class's Weekly News

W/B 3<sup>rd</sup> September 2018

## **This Week...**

We have had a really fun first week with a space theme. Everybody seems to be settling in well and getting to know the new routines.

Please be aware that we are no longer using the home school diaries, if you wish for us to send home information on toileting and feeding information, please contact the school office to opt in to receiving this information.

On Tuesday 11<sup>th</sup> September the school photographer will be in school taking pictures of the pupils and staff!

## **Reminders**

Can you remember PE kits for Monday and either a healthy snack or £1 towards class snacks if you haven't already.

## **And Finally...**

Congratulations to Julia who is star of the week this week.
