

Pine Class News

This Week...

In Food Technology Damian, JJ, Mikey and Aiden learnt how to make bread. There was lots of great kneading and mixing shown by the boys, well done!

Mason, JJ and Joey worked on their fine motor skills by threading bobbins and completing jigsaws. Joey worked fantastically with Mrs Short and whizzed through every activity!

On Wednesday we worked on our Woodland animals theme by painting hedgehogs and exploring animals in the tuff tray.

We also learnt about capacity in our numeracy lesson. Aiden was able to identify full and empty containers in the water tray, JJ played with the sand beautifully and Kenzie said 'full'. Everyone enjoyed every minute of splashing (Mrs Short, Jenny and Victoria not quite as much! 😊)

On Thursday Bethany, Mason and Amelia continued to work on their felting masterpieces! Amelia worked completely independently and concentrated really well on her work. Bethany and Janet also discovered that felting wool can also make a great moustache! Bethany found this highly amusing! 😊

Next Week...

Please can teddy bears be sent in every Wednesday to help with our pizza parlour and teddy bears picnic? Pizza and picnic food will be provided for all the teddies that join in! 😊

Thank you in advance.

Reminders...

Snack and cooking money is £2 per week.

Please can all children's jumpers be clearly labelled? Thank you in advance.

And Finally...

A big well done to Kenzie for being our star of the week for amazing communication!

Pine Class are sending big get well soon hugs to Ruby. We hope you feel better soon 😊

Have a nice relaxing weekend!

Look what we've been up to this week...

Mikey with a wort on the end of his nose like the Gruffalo!

Another fantastic week in Pine Class!

Looking great!

Well Done Joey!

Lots of fun!
