

W/B 4th February 2019

This week... we have had a busy week! We've learnt the signs for king, queen, prince and princess. The children might be able to show you these if you ask them.

Zachary has really enjoyed doing some fantastic switching work in the sensory room this week. Well done Zachary!

Bethany has been working hard at the work station to complete the fiddly fingers task boxes.

Stanley and Amelia worked hard on their Chinese New Year pictures.

We all had a great time at Mini's play centre!! All the children enjoyed climbing, dancing, playing in the ball pool and moving around.
