

W/B 12th November 2018

This Week... we have all enjoyed our sparkle and light topic. We made some lovely craft pieces and we are continuing to work on our early phonics and maths skills.

We still have a big emphasis on life skills and independence skills - dinner times and snack times are going extremely well.

We all loved Children in Need day in our pj's!! We all joined in with baking and making crafts.

Next Week... we are continuing our topic on sparkle and night and will continue to make star crafts and start some moon crafts.

Reminders

Polite notice:

If your child is ill with an infection please do not send them in to school. This is to protect the children and staff and to stop the spread of infection. We have had 3 members of the class staff team off poorly this week with chest infections, which has had an impact on the children's learning.

And Finally...

Thanks for all the donations for Children in Need, it is greatly appreciated!! 😊
