

This Week... we have continued our work on light and dark. We have been exploring colours through paint to create sky pictures. We used tape to make stars shapes on the paper and then the children peeled off the tape to look at the shapes showing the star shapes they had created.

As part of our discovery learning this week, we had a fairy based small world play hidden in the picnic basket in a den under the tuff tray. Bethany loved accessing this area. Discovery boxes help to encourage the children's natural curiosity and keeps them stimulated and interested in their learning.

This week was road safety week. We always use the crossing safely when we visit Sainsbury's. We talked about pressing the button, stopping and waiting and only crossing the road when we saw the green man.

The chief bakers made crispy stars this week. There may have been a slight explosion of rice crispies!

Duplo was very popular as our construction focus this week. We built towers, made trains, handled the animals and people and the red and yellow aeroplane was very popular!

The children are often choosing to look at our books. Our topic books in the book corner are about night and day, the weather and being friends.

Each day we have a morning welcome session. This helps the children to recognise their names; their photo; themselves in a mirror; learn the days of the week; associate each day with different activities; take turns and sit as a group. Jude decided it was also about having a piggy back! Laura (and Jude) completed the whole session this way!! 😊

Next Week... we will be going on trips and visits, using the light box and torches, continuing work on our early number and phonics skills; working on our wheelchair dance; completing work on dark and light

Reminders

Please send any photos to lhall@acorns.lancs.sch.uk

Thank you 😊

A voluntary donation of £1 per week is greatly appreciated for baking, snacks, messy and sensory play items.

Trips: Tuesday 27th November is the trip to Barton Grange for the children that attend that day.

And Finally... special mentions have to go to Oliver, Cole and Zachary this week, who are all doing so well with their independent eating skills! YAY well done boys we are all so proud!
