Dear Parents/Carers,

On Monday 4th February we will be holding our first parents' group of 2019!

We will be joined by Hannah Stewart and Rachel Short. Hannah is the speech and language therapist based in school and Rachel Short, is our current year 5 teacher and communication lead.

Hannah and Rachel will be offering signing training. This training has recently been delivered to our staff and is perfect for beginners or as a refresher.

Parents group will start at 10am and run until approximately 12noon. Younger children are welcome and refreshments will be provided.

Please don't hesitate to contact me in school in you have any questions about our parents' group or the signing training.

Yours Sincerely

Katy Higham

Deputy Headteacher
