

Pine Class Weekly News

Week beginning: 9/9/2019

This Week

Pine Class have worked really hard this week.

Some of the things we have been doing:

Role-plays in both English and French. Lucy-Anne was really good and expressed emotions well.

Autumn artwork in our outdoor learning session. We collected leaves and twigs and made collages. We even found some nut shells.

We have read two of Aesop's fables and we have been exploring the characters in the stories. Ruby and Gemma came up with some brilliant describing words.

We started our 'Under the Sea' topic in PE and worked on our balancing skills.

The children were great on the visit to Sainsbury's and the local observatory in Moor Park.

Medieval monarchs!

Practising letter formation

Jenson's outdoor artwork – well done!

Next Week...

Monday is National TA Day. Thank you to all our TAs who do such fantastic work with the children. 😊

On Wednesday 18th we'll be going to Lytham to do some artwork and visit the post office. The weekly visit to the local supermarket will be on Thursday.

Reminders

Thank you so much for sending in PE kits, outdoor learning clothes, snack and food tech money and also for labelling clothes. If you haven't already done any of these things, please would you be able to do them in the coming week.

Sheets have gone home to collect important data – please would you send these in as soon as possible?

If you need to get in contact, you can use this email address:

cworsley@acorns.lancs.sch.uk

Many thanks. 😊

And Finally...

Our Star of the Week is Harley, who has been trying really hard in all of his lessons, and has asked for help when he has needed it.

Perhaps this weekend you may want to watch and talk about the video clips of the fables we read?
