

Humanities Policy 2019 - 2020

Acorns Primary School is a primary school for children with generic learning difficulties – this includes: severe learning difficulties, profound and multiple learning difficulties, visually and hearing impaired and children with Autistic Spectrum Disorder. Some pupils exhibit challenging behaviour as a result of adverse childhood experiences – this can impact on risks associated with out of school activities. The school is situated in Preston, Lancashire.

Aims

History and Geography subjects will provide opportunities for our pupils to develop a knowledge and understanding of the world.

Through History and Geography we will be enabling our pupils to experience, explore and understand the world around them.

History and Geography activities will enable our pupils to make sense of their own environment both in terms of time and space and thus enable them to gain a greater understanding of other times and places.

With these broad aims in mind, Geography and History topics will provide opportunities for pupils:

- To develop a sense of personal identity through learning about experiences related to themselves
- To develop an interest in and curiosity about their personal history alongside awareness and understanding of events in the world
- To gain awareness of the past, how people lived in other times and how those times were different from today
- To increase an awareness of the world
- To develop observational skills
- To develop skills of enquiry and analysis using information and evidence from a range of sources to find out about the past
- To become aware that the world extends beyond their local environment
- To recognise and compare features of different environments and countries and man's influence on them
- To recognise changes in the environment and how the environment can be sustained and improved

- To recognise that there are different societies and cultures in the world and that they often rely on each other
- To think about their own place in the world, their values, rights and responsibilities to other people and the environment
- To develop appropriate geographical vocabulary and skills

Rationale/Purpose of Study

At Acorns we offer pupils of all abilities the opportunities to experience, explore and develop an interest in their immediate environment and that of the Britain and the wider world both in the present and in the past. In developing this interest and awareness it may help promote an understanding of people's lives, the process of change, diversity and relationships and challenges of the present. We strive to deliver History and Geography to all pupils in ways which are relevant, meaningful, motivating and above all, fun!

Curriculum and School Organisation

The Geography and History Curriculum at Acorns has been tailored to meet the wide ranging and diverse needs of our pupils. The National Curriculum Programmes of Study for History and Geography along with EYFS/Early Learning Goals have been used as a foundation and framework for a developmental curriculum which is differentiated to meet the needs and ages of all our pupils. This ensures that pupils are accessing the curriculum at the relevant stage for their development whilst also accessing and experiencing the full range of the National Curriculum as appropriate. An ongoing thread throughout the year (including whole school activities) as well as provision of a range of opportunities for individual development ensures all pupils are working towards appropriate goals.

Class Organisation and Teaching Styles

The class teacher is responsible for the delivery of Geography and History in their class following consultation with and/or guidance with the subject leader and by following guidance of a curriculum map.

The teacher delivering the lesson will provide a balanced approach by using a combination of whole class, small group and individual work. The teacher is responsible for planning and delivery of activities ensuring work is differentiated appropriately to meet all needs and abilities.

Opportunities throughout the year for whole school, 'sister' class and upper and lower school activities will support the delivery of the subjects.

Cross curricular activities will also reinforce the delivery of the subjects.

Subject Content and Planning

Subject content is taken from EYFS Knowledge and Understanding of the World and from the National Curriculum Programmes of Study for History and Geography.

As far as possible, this will be delivered at the appropriate Key Stages in the relevant Year Groups. However, the diverse and ever-changing needs of our pupils will inform planning and the Curriculum Map is designed in such a way as to allow topics to be covered appropriate to the developmental needs of our pupils. This means some pupils will be accessing the curriculum at levels not always commensurate with their chronological age. The professional expertise of teachers will guide decision making and will be noted in termly planning.

The class teacher will use an overview of topics, knowledge and skills drawn from History and Geography Key Stages 1 and 2 and, where appropriate, from EYFS Knowledge and Understanding of the World to guide and inform their planning. End of module targets will be evaluated.

The subject leader is responsible for ensuring that topics, knowledge and skills are covered throughout both Key Stages and that progress is accomplished by following Acorns Curriculum Maps.

Assessment and Recording

Ongoing assessment through teacher observation and daily/weekly recording of pupils' work informs evaluation of the termly targets and future target setting. Evidence for Learning (EfL) is used to record work and other evidence of pupils' activities. Teachers use this information for termly assessments with

regard to pupils' achievements and progress in these subject areas. B Squared may be used to inform assessments at the end of each term. This information is reported to parents via Parents' Evenings, Annual Reviews and end of year School Reports.

Resources and Accommodation

A range of History and Geography resources, materials and books are available from the Subject Leader. (These will be augmented throughout the year as appropriate in line with the new curriculum map) Online resources are readily available especially through Twinkl. Some classrooms have their own resources compatible with their topics.

Monitoring and Evaluation

It is the responsibility of the class teacher to monitor and evaluate pupil progress

It is the responsibility of the subject leader to:

- Keep under review and make suggestions for the updating of the History/Geography equipment
- Research the range of history/geography materials appropriate to the needs of the pupils at Acorns School
- Liaise with the Head, Deputy and staff regarding the development of the teaching of Geography/History throughout the school
- Review on a regular basis the provision of Geography/History at Acorns school in line with new Government initiatives

The Subject Leader may be released from his/her classroom in order to work alongside other teachers. This time enables the subject leader to: ?

- Support teachers in the delivery of their geography/history lessons. ?
- Support teachers in the development of their geography/history teaching.
- Monitor and evaluate the quality of geography/history teaching throughout the school

Opportunities for teachers to review schemes of work, policy, published materials and resources are given during staff meetings.

Reporting To Parents

Parents are welcome to discuss their children's work with the class teacher. A Parents' evening is held in the Summer term. This enables parents to discuss their child's achievements and progress. Each child has an Annual Review to which parents are invited to discuss their child's achievements and progress and to contribute to the setting of Annual Review Targets. Parents receive an End of Year Report detailing the work covered by each pupil and the attainment specific to their son/daughter. Parents also have access to a monthly newsletter and a weekly class blog on the school's website in which some geography/history activities may be documented.

Equal Opportunities

Multi-cultural aspects of geography and history are covered within the geography/history curriculum and addressed within other curricular areas whenever relevant. The whole school policy on Equal Opportunities will be adhered to in all geography and history activities.

Homework

It is our school policy to provide parents and carers with opportunities to work with their children at home. These activities may only be brief but are valuable in promoting children's learning in the subject. Activities, appropriate to the needs and ages of the pupils, are sent home on occasion. These may be in the form of written pieces, sensory activities, research, use of websites, discussions and other activities, depending on the individual child's needs.

Spring Term 2020 (to be reviewed at the start of each academic year)

History Curriculum Map

KS1

To be gradually introduced 2020 – some classes working from old map during academic year 2019 -2020

<p>Ongoing across terms and through year groups</p>	<p>Myself & My Family: awareness of self & family members; sharing pictures, stories & events/celebrations</p> <p>Myself & My Friends: awareness of similarities & differences, likes & dislikes</p> <p>Familiar People: lives and occupations (jobs in school & community)</p>		
<p>Remembering & sharing significant events & special times of family & friends</p> <p>'I am Special' (what is unique about them)</p> <p>My Friend (what is different & same)</p> <p>Familiar Customs (school & community)</p> <p>Celebrating local, national & international events</p>	<p>Autumn</p>	<p>Spring</p>	<p>Summer</p>
	<p>Year 1</p> <p>My Family (Changes within living memory – parents & grandparents' lives Looking at toys, clothes, activities)</p> <p>Bonfire Night</p>	<p>No specific topic</p>	<p>Travel & Transport (events beyond living memory: first flight, space travel, cars)</p> <p>Great Fire of London</p>
	<p>Year 2</p> <p>Life of Significant Individuals (including comparisons)</p> <p>(choice dependent on class topics/interests)</p>	<p>A Local History Study e.g. Sir Tom Finney Cotton Mills 1ST Motorway</p>	<p>No Specific Topic</p>

History Curriculum Map
Lower KS2

To be gradually introduced 2020 – some classes working from old map during academic year 2019 -2020

<p>Ongoing across terms and through year groups</p>	<p>Myself & My Family: awareness of self & family members; sharing pictures, stories & events/celebrations</p> <p>Myself & My Friends: awareness of similarities & differences, likes & dislikes</p> <p>Familiar People: lives and occupations (jobs in school & community)</p>		
<p>Remembering & sharing significant events & special times of family & friends</p> <p>'I am Special' (what is unique about them)</p> <p>My Friend (what is different & same)</p>	<p>Autumn</p>	<p>Spring</p>	<p>Summer</p>
<p>Familiar Customs (school & community)</p> <p>Celebrating local, national & international events</p>	<div style="border: 1px solid black; padding: 2px; width: fit-content; margin-bottom: 5px;">Year 3</div> <p style="text-align: center;">Changes in Britain from the Stone Age</p>	<p>The Romans</p>	<p>Ancient Greece</p>
	<div style="border: 1px solid black; padding: 2px; width: fit-content; margin-bottom: 5px;">Year 4</div> <p style="text-align: center;">Anglo -Saxons</p>	<p>No Specific Topic*</p>	<p>A Local History Study</p>

*All NC topics are covered over the full Key Stage 2 without the necessity have a specific History Topic each term. Class teachers can choose which terms they cover the designated topics during an academic year. Curriculum time can be used for Geography or History activities (ensuring that ongoing topics/experiences are covered)

History Curriculum Map
Upper KS2

To be gradually introduced 2020 – some classes working from old map during academic year 2019 -2020

<p>Ongoing across terms and through year groups</p>	<p>Myself & My Family: awareness of self & family members; sharing pictures, stories & events/celebrations</p> <p>Myself & My Friends: awareness of similarities & differences, likes & dislikes</p> <p>Familiar People: lives and occupations (jobs in school & community)</p>		
<p>Remembering & sharing significant events & special times of family & friends</p> <p>'I am Special' (what is unique about them)</p> <p>My Friend (what is different & same)</p> <p>Familiar Customs (school & community)</p> <p>Celebrating local, national & international events</p>	Autumn	Spring	Summer
	<p style="text-align: center;">Year 5</p> <p style="text-align: center;">The Vikings to Edward the Confessor</p>	<p style="text-align: center;">Beyond 1066 (e.g. The Tudors or The Victorians)</p>	<p style="text-align: center;">No Specific Topic*</p>
	<p style="text-align: center;">Year 6</p> <p style="text-align: center;">Earliest Civilisation (e.g. Ancient Egypt or The Indus Valley)</p>	<p style="text-align: center;">No Specific Topic*</p>	<p style="text-align: center;">Non-European Society (e.g. Mayan Culture)</p>

*All NC topics are covered over the full Key Stage 2 without the necessity have a specific History Topic each term. Class teachers can choose which terms they cover the designated topics during an academic year. Curriculum time can be used for Geography or History activities (ensuring that ongoing topics/experiences are covered)

Geography Curriculum Map

KS1

To be gradually introduced 2020 – some classes working from old map during academic year 2019 - 2020

Ongoing across terms and through year groups	Provision of opportunities for: Exploring immediate environment with interest: observing what people/animals/vehicles do Recognising familiar objects& toys Remembering where objects belong Recognising/remembering familiar places		
	Autumn	Spring	Summer
Saints' Days celebrations (4 countries of the UK) World Awareness events/celebrations Theme Days: countries and oceans Forest School/Outdoor Learning activities Community Visits	Our Class/School (Locational Knowledge)	Our School Compare: inside/outside different rooms our school/different school (place knowledge – similarities & differences)	The Weather (Hot & Cold) (Human/Physical Geography)
	A Local Study (Human/Physical Geography) Key features Key human features	Which Way? Directions and compass points Following/giving instructions	Land and Sea Water play Seaside study/activities Oceans
