

Friday 3rd April

Good morning, everybody! Well done on all your work at home. Thank you SO much to parents and carers. As it's the Easter holidays now, you can have a break. Mr Worsley, Nicola, Karen and Agata

Parents/Carers - please keep an eye on the school website for any updates. I will continue to put work/activities up after Easter if needs be. Let's hope that we can return to normal as soon as possible. THANK YOU - YOU ARE ALL BRILLIANT!

Morning work

Find out what you're going to have for lunch. Draw a picture and write a menu. Ask your parent to write it down for you to copy, if you need to.

Listen to the French song. Sing and sign along. <https://www.youtube.com/watch?v=atNkl6QFZ50>

Look at the weather and talk about it with your parent. If you made weather symbols earlier in the week, choose a symbol to represent today's weather and stick it on your fridge/chart.

English

Talk about what you have done this week. Write a diary for each day. Try to include details about what you did, where you did it, when, and who you did it with. It's also good to include some opinions and descriptions. You may need to copy-write this from a parent. You could also draw pictures.

e.g.

Monday

On Monday, I got up early and had a tasty breakfast with my sister. It was sunny and warm, so we ate our breakfast listening to music and with the window open.

Maths

Use blocks, Lego, or pieces of cereal to do some practical addition to 20 (or more if you wish). The adult should two separate piles. Count the number in each pile, and write a number sentence, e.g. $5 + 4 =$

Now work this out by 'counting on' from the number in the first pile, pointing at the items in the second, e.g. 5... 6,7,8,9 so the answer is 9.

Music

Can you think of ten different musical instruments? You could have a guessing game where one of you mimes playing an instrument, and the other has to guess what it is.

Reading

Spend ten minutes reading your book. Talk about what happened in the story so far, and what might happen later on. Then find a book from home that you enjoy.

PE

Try some of these dances 'from your seat':

End of lessons

Think about what you have done well today - write it/draw it on a piece of paper or 'Post It' note. Stick it on your wall. And is there anything that you could have done better?

Well done!
