

# Oak Class Weekly News

W/B 15<sup>th</sup> October 2018

## This Week

We have been learning about light and shadows.

In maths we learned about kilogrammes.

In geography we have learned about Italy. Some pupils made pizzas.

In PE, there was a draw in our rounders game.

We have also been finding out about Anne Frank.

*Composed and typed by Fatimah.*

Thank you for all the goods donated for our Harvest Assembly on Friday - the donations will go to the food bank at St Mary's in Leyland.

## Next Week

Next week it is half-term, and we will come back to school at the normal time on **Monday 29<sup>th</sup> October**.

On **Friday 2<sup>nd</sup> November** in the morning, we will be visiting a local church to do some RE work on Christianity. Pupils will be back in school for lunchtime. Unfortunately taekwondo is currently cancelled until further notice, so the children have chosen clubs to go to instead.

## Reminders

£1 towards snacks and food technology items per week - thank you.

All Oak Class Year 6 reviews have now taken place. If you are still unsure about the procedure for moving on to secondary school, please let us know and we can help.

## And finally...

If you get time, you may wish to act a short role-play about a trip to Italy (e.g. travelling there, visiting a restaurant, looking at some famous sights, buying souvenirs, etc.). Looking at and talking about some photos on the internet may help. Some pupils may even want to write out the role-play on paper.

Have a good half-term holiday.
