Monitoring Visits

The aim of Acorns Community out-reach programme is to

provide local primary schools with the opportunity to access a range of diverse, unique and specialist experiences through access to Acorns specialist staff and resources.

Support available:

- Telephone, email and face to face advice
- Observations and written reports
- Specialist teaching
- How to support pupils to access the curriculum and classroom learning
- Strategy advice - behaviour and learning
- Advice on purchasing specialist equipment and resources
- Specialist assessment advice and support with completing assessments, including P levels and moderations.
- Support with Risk Assessments, Behaviour and Positive Handling Plans
- Support with communication and visual aids
